

## Automated System Products -- Filter 1 Applied 4-25-2000 (LN & JB)

Filtered list generated from:

Pamela Cibbarelli (2000), *Directory of Library Automation Software, Systems, and Services*

**39 total listings remaining after Filter 1 applied**

### Filter Set 2 Criteria for Elimination:

1. Modules we currently have (including Z39.50) are not available according to Cibbarelli (2000).

*RES=Reserves , COM=Community Resources, MED=Media, Z=Z39.50, ACQ=Acquisitions, SER=Serials*

2. 200 or fewer installed sites. Data from Cibbarelli (2000).

3. New product. In our timeline we do not have the resources for beta testing a product.
