

2024 REU Student
in the Brummond Lab

National Science Foundation Research Experience for Undergrads (NSF REU)

Research opportunities are available for 9 undergraduate students who are expected to graduate in 2026 or 2027. Students will receive a stipend of \$6000 for 10 weeks of summer research, supplement for meals, and free housing on Pitt Campus. The relocation expenses will also be covered by the REU grant in full.

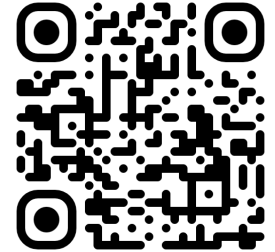

We will begin accepting applications in December 2024.

Interested students **APPLY ONLINE**.

The deadline is **February 15th, 2025**.
