# Important Notice from Pacific Lutheran University about Your Prescription Drug Coverage and Medicare

## Medicare Part D Prescription Drug Notice

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Pacific Lutheran University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Pacific Lutheran University has determined that the prescription drug coverage offered by the Pacific Lutheran University Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare Drug Plan.

## What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you do decide to join a Medicare drug plan, your current Pacific Lutheran University coverage will not be affected. If Pacific Lutheran University pays primary to Medicare under the Medicare Secondary Payer rules, for example for active employees and spouses of active employees who are Medicare eligible due to age, a Medicare prescription drug plan will pay after Pacific Lutheran University prescription drug plan pays. You will not be disenrolled from the Pacific Lutheran University prescription drug plan if you enroll in a Medicare drug plan. However, you should be aware that Pacific Lutheran University will not reimburse you for any Medicare prescription drug premium that may apply if you join a Medicare drug plan.

Your current coverage pays for other health expenses in addition to prescription drug. Since your medical and prescription drug coverage are bundled, you cannot drop your prescription drug coverage without losing your medical coverage.

If you do decide to join a Medicare drug plan and voluntarily drop your current Pacific Lutheran University medical and prescription drug coverage, you and your dependents will be able to get this coverage back if you remain eligible, subject to mid-year enrollment rules (for example, following next year's annual enrollment or a qualifying life event).

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your coverage with Pacific Lutheran University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months

without coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium.

You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact Pacific Lutheran University HR at 253-535-7185 for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, or if this coverage through Pacific Lutheran University changes. You also may request a copy at any time.

## For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. If Medicare eligible, you'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

## For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.

**Remember:** Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

## HIPAA Notice of Privacy Practices

The privacy rules under the Health Insurance Portability and Accountability Act (HIPAA) require the Pacific Lutheran University Health Plan (the "Plan") to periodically send a reminder to participants about the availability of the Plan's Privacy Notice and how to obtain that notice. The Privacy Notice explains participants' rights and the Plan's legal duties with respect to protected health information (PHI) and how the Plan may use and disclose PHI.

To obtain a copy of the Privacy Notice contact Pacific Lutheran University HR at 253-535-7185.

## WHCRA Notice

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call your plan administrator at [insert phone number] for more information.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation

with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator at 253-535-7185 or use the following link:  
<https://www.dol.gov/sites/dolgov/files/EBSA/about-ebsa/our-activities/resource-center/publications/your-rights-after-a-mastectomy.pdf>

## **Newborns' Act**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## **Special Enrollment Rights**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

You may also be able to enroll yourself or your dependents in the future if you or your dependents lose health coverage under Medicaid or your state's Children's Health Insurance Program or become eligible for state premium assistance. You have 60 days from the occurrence of one of these events to notify the company and enroll in the plan.

To request special enrollment or obtain more information, contact Human Resources department. Refer to your benefit book for details.

# **New Health Insurance Marketplace Coverage Options and Your Health Coverage**

## **Part A: General Information**

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### ***What is the Health Insurance Marketplace?***

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### ***Can I Save Money on my Health Insurance Premiums in the Marketplace?***

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### ***Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?***

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

1. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

**How Can I Get More Information?**

For more information about your coverage offered by your employer, please check your summary plan description or contact Human Resources.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

**Information About Health Coverage Offered by Your Employer**

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace ([www.healthcare.gov](http://www.healthcare.gov)), you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

1. Employer Name: <b>Pacific Lutheran University</b>	2. Employer Identification Number: <b>91-0565571</b>	
3. Employer Address: <b>12180 Park Avenue South</b>	4. Employer Phone Number: <b>253-535-7185</b>	
5. City: <b>Tacoma</b>	6. State: <b>WA</b>	7. Zip: <b>98447</b>
8. Who can we contact about employee health coverage at this job? <b>Human Resources</b>		
9. Phone Number: <b>253-535-7185</b>	10. Email Address: <b>Humr@plu.edu</b>	

**Here is some basic information about health coverage offered by this employer:**

As your employer, we offer a health plan to you if you meet all eligibility requirements.

- You are eligible to enroll in the health plan if you are a class I, class II, or project employee and regularly work a minimum of 20 hours per week

With respect to dependent eligibility:

- Your lawful spouse or the subscriber, unless legally separated
  - A dependent child (natural offspring or step-child or legally adopted or legally placed) who is:
  - Less than 26 years of age
  - Age 26 or more years old, and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability (see contract for further information)

This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee, or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –**

## Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBC is available from each medical carrier describing your benefits.

For more information about your coverage offered by your employer, please check your summary plan description or contact the Human Resources department, 253-535-7185.

You may qualify for Paid Family and Medical Leave.

As of Jan. 1, 2020, Washington employees who have worked 820 hours or more in the qualifying period and experience(d) a qualifying event have access to Paid Family and Medical Leave.
